

THIS IS TO CERTIFY THAT

Mike Richard

IS HEREBY RECOGNIZED AS A **CERTAINTEED METAL INSTALLER** HAVING PASSED THE TEST IN THE CERTAINTEED METAL ROOF INSTALLATION GUIDE.

The CMI test is based on the CertainTeed Metal Roofing Tile, Shake and Slate Installation Guides. These guides discuss the complex requirements and recommendations for the installation of a high-quality metal roof system.

Tom Smith

President, CertainTeed Roofing

Topics covered include the specific installation instructions for CertainTeed metal roofing, roof preparation and ventilation.
